NEWS RELEASE

Winnipeg's long-standing, internationally recognized, local family company joins forces with Canadian partners to help end child bedlessness in Winnipeg

Monday, October 4th, 2021: Winnipeg, Manitoba – Thirty of Winnipeg's children will be sleeping comfortably and in a bed of their own thanks to the dedicated employees at Cadorath, with help from their friends at Babcock Canada Aviation Group and Tec-Voc High School, in a touching example of local organizations giving back to their local community.

For over a year, Cadorath has been fundraising – collecting cash, bedding and pillows for 30 twin-size beds, with the goal of holding their own corporate bed building and drive-thru donation drop-off event on their site - all in support of Sleep in Heavenly Peace (SHP) Winnipeg. Also, in support of this mission, Babcock Canada Aviation Group, in Winnipeg, contributed by holding their own internal event back in 2020 where they raised just over \$2,750 for this same cause.

“When we learned about SHP Winnipeg, their mission of donating beds to Winnipeg children, that they involved the community to help build the beds, we knew this was the way we wanted to give back to our great city.”, says David R. Haines, COO Cadorath. “The Cadorath family is proud of their Winnipeg roots and the work they do globally and giving back to their Winnipeg communities makes us equally proud of our efforts. We look forward to gathering our teams together for a fun and meaningful team building, especially after this past year, and we hope our event inspires other companies to do the same.”

“Cadorath has been a proud partner and supporter of the various Tec-Voc High School programs for over a decade. We have hosted Student Tours & Work Practicums, participated in career fairs and recruiting sessions, and currently have multiple graduates from the AMMOP program working a variety of roles among our Team.”, Says Gord T. Mitchell, Director of Operations-Aviation Cadorath

“We are incredibly blown away and grateful to these organizations for coming together and dedicating themselves for over a year, to raise funds and awareness for SHP Winnipeg.”, says Jim Thiessen, Chapter President, SHP Winnipeg. “They are true examples of business leaders in philanthropy and leaders in supporting local – giving of their time, their energy, their donations and committed to making a difference in their community.”

Respecting outdoor gathering limits, the Cadorath Bed Building & Drive-Thru Donation Drop-Off Event will see approximately 60 Cadorath, Babcock Canada Aviation Group and Tec-Voc High School volunteers working in two shifts. Build teams will be positioned at various stations, cutting, sanding, drilling and staining lumber for 30 twin-size beds. In addition, there will be a separate team of volunteers collecting **drive-thru** donations of new twin-size bedding, new pillows, cash, or cheque, in support of SHP Winnipeg.

Cadorath Bed Building & Drive-Thru Donation Drop-Off Event

Date: Thursday, October 7

Time: 9 am – 2 pm

Location: Cadorath parking lot – 2070 Logan Avenue

About Cadorath

Cadorath is a family owned and operated company that provides superior solutions and products to a global client base in aviation, agriculture, industrial and mining, oil and gas, through its Canadian facility in Winnipeg, Manitoba, and its U.S. facilities in Lafayette, Louisiana, and Orion, Illinois.

About Sleep in Heavenly Peace Winnipeg:

Established in January 2020, Sleep in Heavenly Peace Winnipeg is a non-profit charity made up of a group of volunteers dedicated to building and delivering handmade beds, new mattresses and bedding to local children. SHP Winnipeg is committed to building a stronger community by partnering with Manitoba organizations, to get children off the floor and create a sense of worth and dignity for families most in need.
