Dear Mr. Jones,

This letter is to confirm that Cadorath Aerospace is approved by Airbus DS Military Aircraft, Inc. to perform special process repairs to include surface treatments, plating, machining & grinding, and NDT.

I have audited Cadorath's facilities and determined compliance to the regulations and standards of the FAA or equivalent TCCA requirements as well as conformance to the AS9110 Quality Management System Standard.

Your organization provides a quality product and excellent customer service.

Sincerely,

Jason Parham
Quality Manager
