The obligation of Cadorath under this warranty is limited to the repair or replacement of the parts which failed due to defects in Cadorath's workmanship and shall not include the costs of parts or labor necessary for the disassembly, reassembly, or testing of the major assembly in which the defect occurred. In the event that life-limited parts covered by this warranty are damaged beyond repair, Cadorath shall only be obligated for the replacement value of such parts.

All other obligations and liabilities either direct or consequential on the part of Cadorath relating to engines, modules, or parts are hereby expressly disclaimed.

This warranty does not include, and Cadorath will not be liable for any other remedy or liability for incidental or consequential damages of any kind, including but not limited to such damages resulting from a breach of contract or warranty, alleged negligence or otherwise, damage to airframe or other property, costs or expense of operation of the engine, module, or part or other equipment, loss of the use of the aircraft, lost profits or revenue, cost of capital, cost of substitute equipment, facilities or services, downtime costs, collection costs, attorneys fees, damages of any type, or claims of Customer's buyers or other third parties for such damages, or any other loss, claim or demand of any description. Unresolved warranty disputes shall be referred to binding arbitration pursuant to the laws and in the location to be determined solely by Cadorath.
